Seniors

WE'RE THE BEST THERE'LL EVER BE; WE'RE THE CLASS OF '83!

Over the past four years, the Senior class has proven this chant to be true. We've participated in every activity with spirit and enthusiasm. Despite the many handicaps suffered at the beginning of our life at Northern, our spirit and enthusiasm prevailed.

We showed this drive by overcoming such obstacles as being the smallest Freshmen class in the history of Northern High school. In spite of the doubts in our Sophomore year and the lack of unity created by split sessions, we managed to come in second place during Snow Extravaganza activities and third in Mardi Gras competition. In our Junior year, we displayed our superiority when we overtook the other three classes in the fight for the Barrel and the Snow Skis. Throughout our Senior year, we exhibited the same spirit and enthusiasm by winning the Barrel for the second consecutive year.

No class will ever again enter the halls of Northern as the Class of 1983. Memories of the times we shared together will be treasured forever, like a faded rose pressed between the pages of our lives. Now is the time for us to reminisce a little; to examine exactly what we have left behind to show for our efforts. We should also be looking ahead at our life. It's time to plan for the future; to decide what road in life to take. Graduation opens the door to numerous responsibilities and decisions yet allows us a chance to pursue our goals and dreams.

To everything there is a season, and a time to every purpose under the Heaven.

Student Life

The students and faculty of Port Huron Northern are glad that our school is more than just a place to study. Northern is a place to meet new friends and to enjoy new experiences.

Before homeroom, friends meet and share secrets to start off a routine day of learning. Assemblies help to break up the monotony of the educational routine, and also add spice and variety to ones' thoughts. School spirit reaches an all-time high during the days preceeding and during the PHN vs. PHHS football game. All Huskies have the inner urge to defeat the Big Reds in any event, but the football game is special because of the bell at stake.

Mardi Gras is another milestone in a Husky's education. The week of Mardi Gras is filled with competition between both individuals and classes. Prizes range from one free ticket to the Masquerade Ball to the much-desired Barrel. The walls are built during this time, and an exciting Spirit Week is also a major Mardi Gras event. Two girls from each grade are elected onto the Queens Court, with a senior girl becoming the Mardi Gras Homecoming Queen.

Snow Extravaganza is another spark of life in a Husky's life. Similar to Mardi Gras, students participate in a Spirit Week, but build miniature floats instead of large walls. Instead of a court, personality winners are chosen from each grade. The desired class prize for this Husky holiday is the set of blue and gold Snow Skis.

All in all, the life of a Husky is one of competition, contentment, and success as both an individual . . . and as a PHN Husky.

Games

The games are a major part of the annual Husky holiday known as Mardi Gras. These games are held in assembly form. This year the games included the traditional officer pie eating contests, obstacle course, tricycle races, tug o' wars, and 3-legged race. Seniors came through on top of the competition, followed in order by the Juniors, Sophomores, and Freshmen.

Mardi Gras

The Mardi Gras week is considered by many as the best part of the school year at Port Huron Northern. Students try to come up with original costumes to win the prize of a ticket to the traditional Masquerade Ball. The Mardi Gras games and the football game, which we lost 0-14 after a tremendous amount of effort, all lead up to the Masquerade Ball, which highlights this memorable week.

The Mardi Gras dance featured the band ***Ripper,*** *and was crowded as everyone had a good time dancing. When the wall and barrel winners were announced, everyone crowded close together in noisy anticipation. The Seniors were very happy that their hard work has paid off for the second year in a row to retain the barrel. The other classes were disappointed and will have to try again next year to win.*

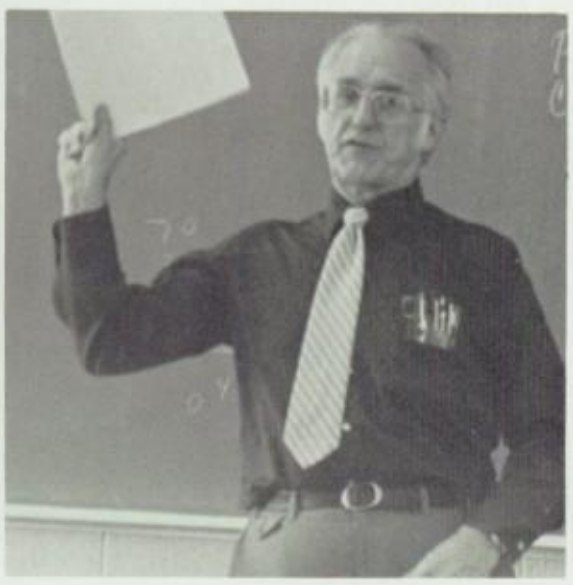
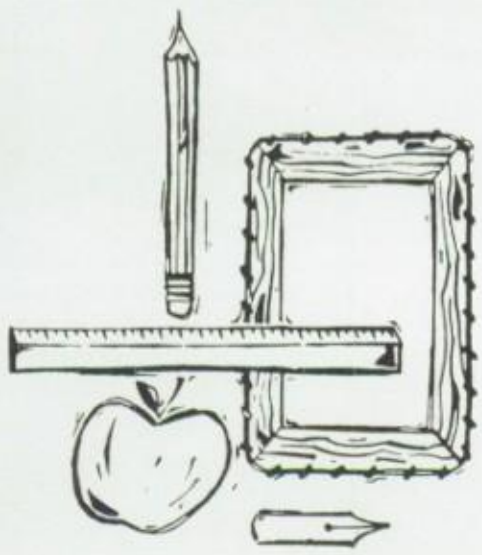
Academics





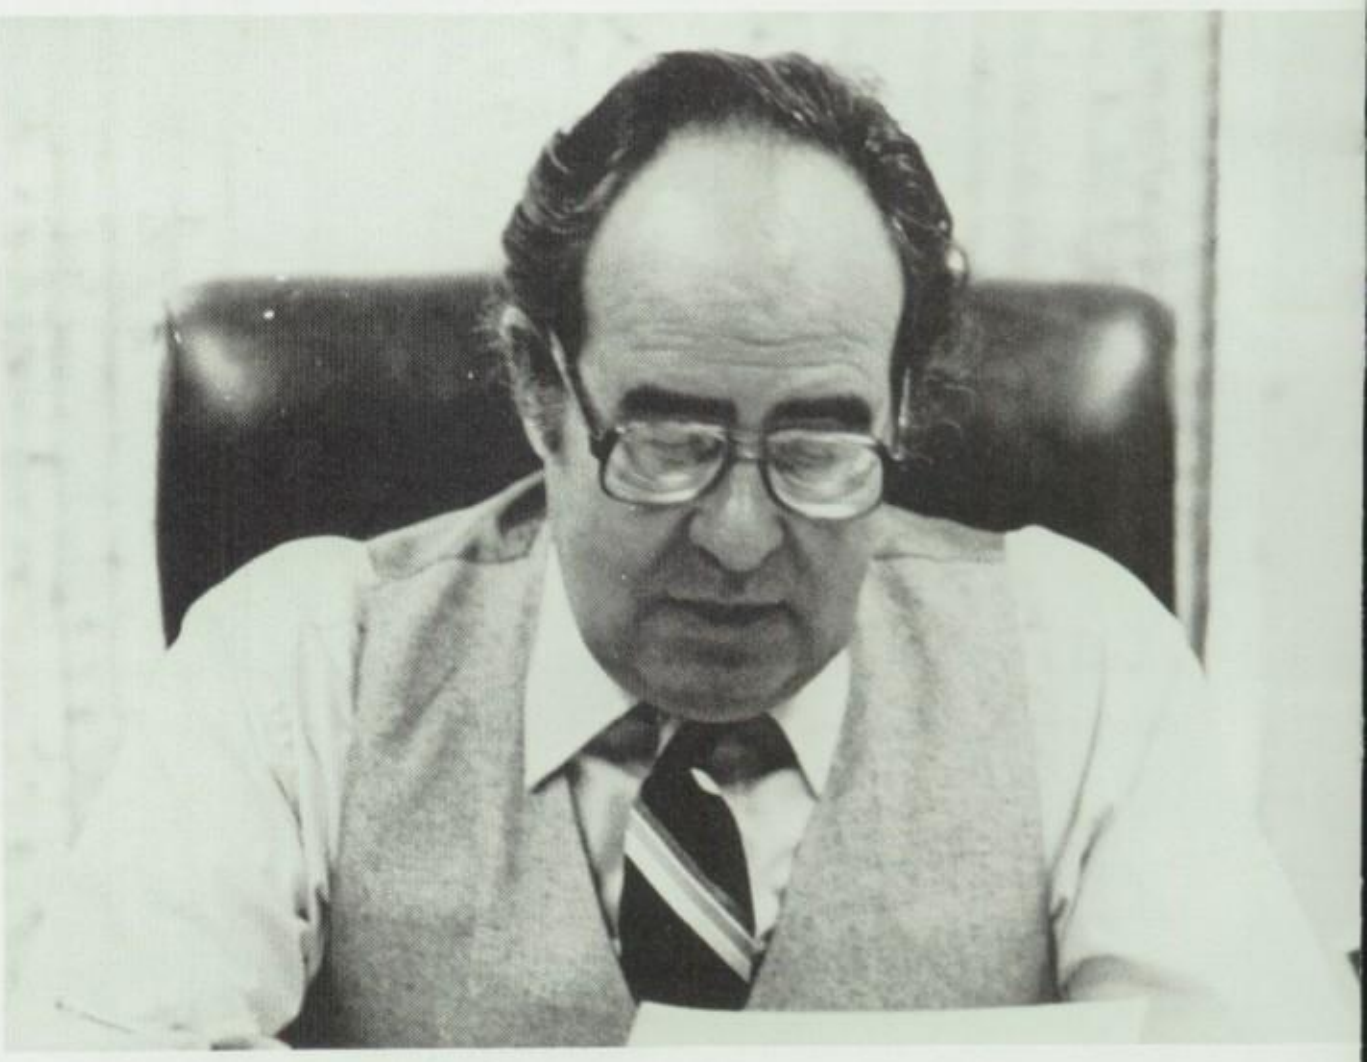
The academic portion of school is definitely the most important part for it has the greatest impact on our future. It is also the part of our education on which we spend the most time.

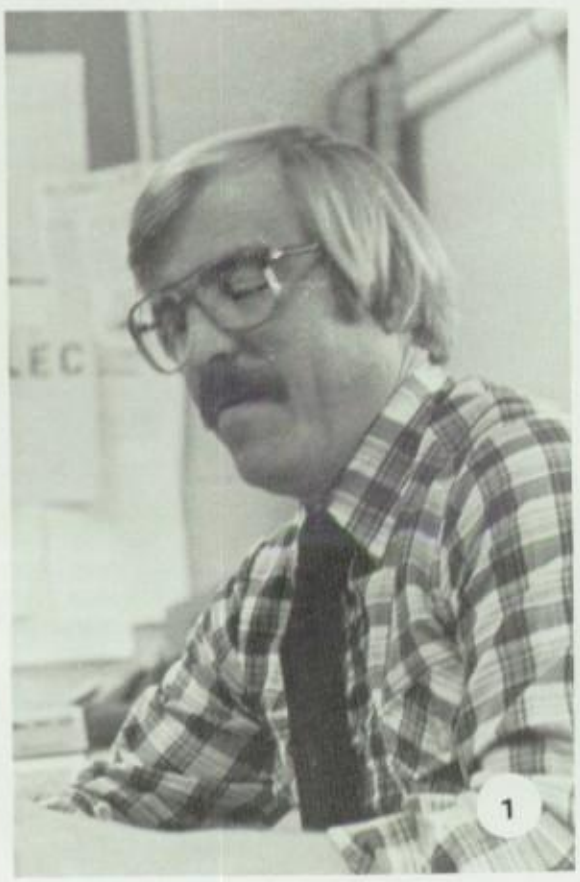
Everyone has tried to make these difficult years as enjoyable as possible. Between making good friends and helpful teachers, we all have sought ways to get by these hard times. This year, maybe more so than the rest, teachers and students have been working together. It's the first time in a number of years that the S.A.T. and A.C.T. test scores have risen noticably. Along with test scores, school spirit is rising. The Huskies are friendly and help is easier to get with Northern's expanding N.H.S. tutoring program. Students have survived all of the programing cutbacks, overlooded classes, and we've actually come out on top of the situation! Yet during the course of the school year, most students do direct some of their time to studying, cramming for inevitable exams, and preparing assignments.

Most students anxiously look forward to graduation; a time when all the studying is over — at least for a while. But the time spent in high school classes can never be forgotten, and that is why this section is devoted to those memories.

Administration

The administration of Port Huron Northern High School seems to become friendlier each year. The administrative staff, headed by Principal ***Mr. William Pierce,*** *our assistant Principals and counselors do a fantastic job of making all the students feel at home.* ***Mr. James Dickinson*** *and* ***Mr. James Goldsworthy,*** *both assistant principals, do their best to keep our student population in line. They serve up "okays" on blue slips, referee in troubled times berween students, and check up on us throughout the day to make sure students are exactly where we're supposed to be!* ***Miss Patricia Austin,*** *also an assistant principal, does wonders with the difficult task of scheduling the 1800-plus students currently attending Northern. Together with* ***Mr. Pierce,*** *our three assistant principals work in general discipline areas, cafeteria and hall monitoring, and the evaluation of teachers to help create a more positive atmosphere in our own Husky educational center.*

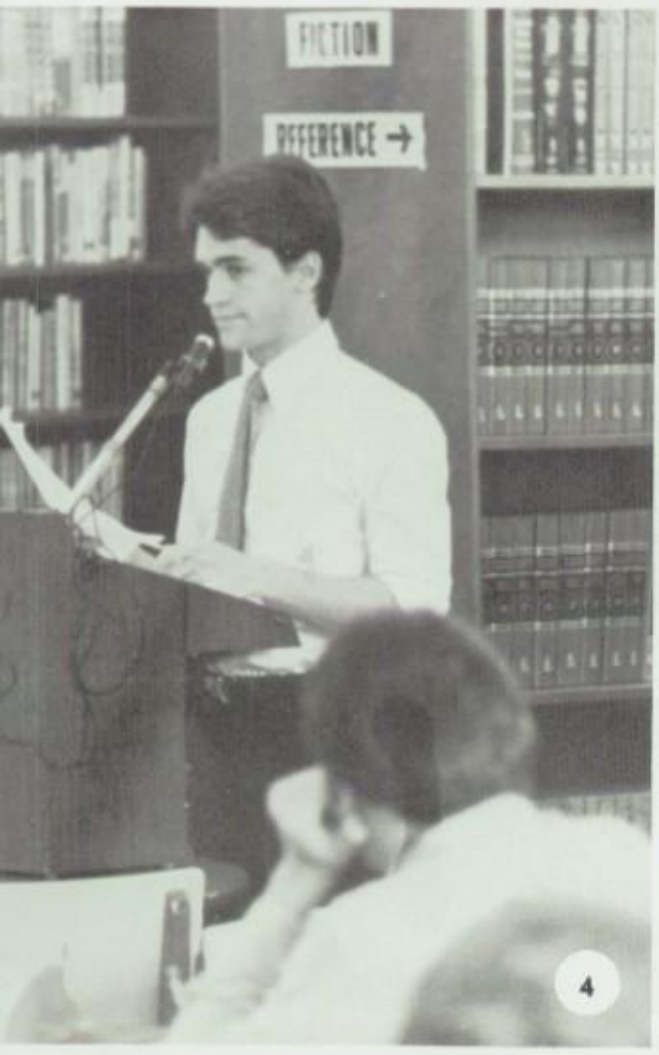




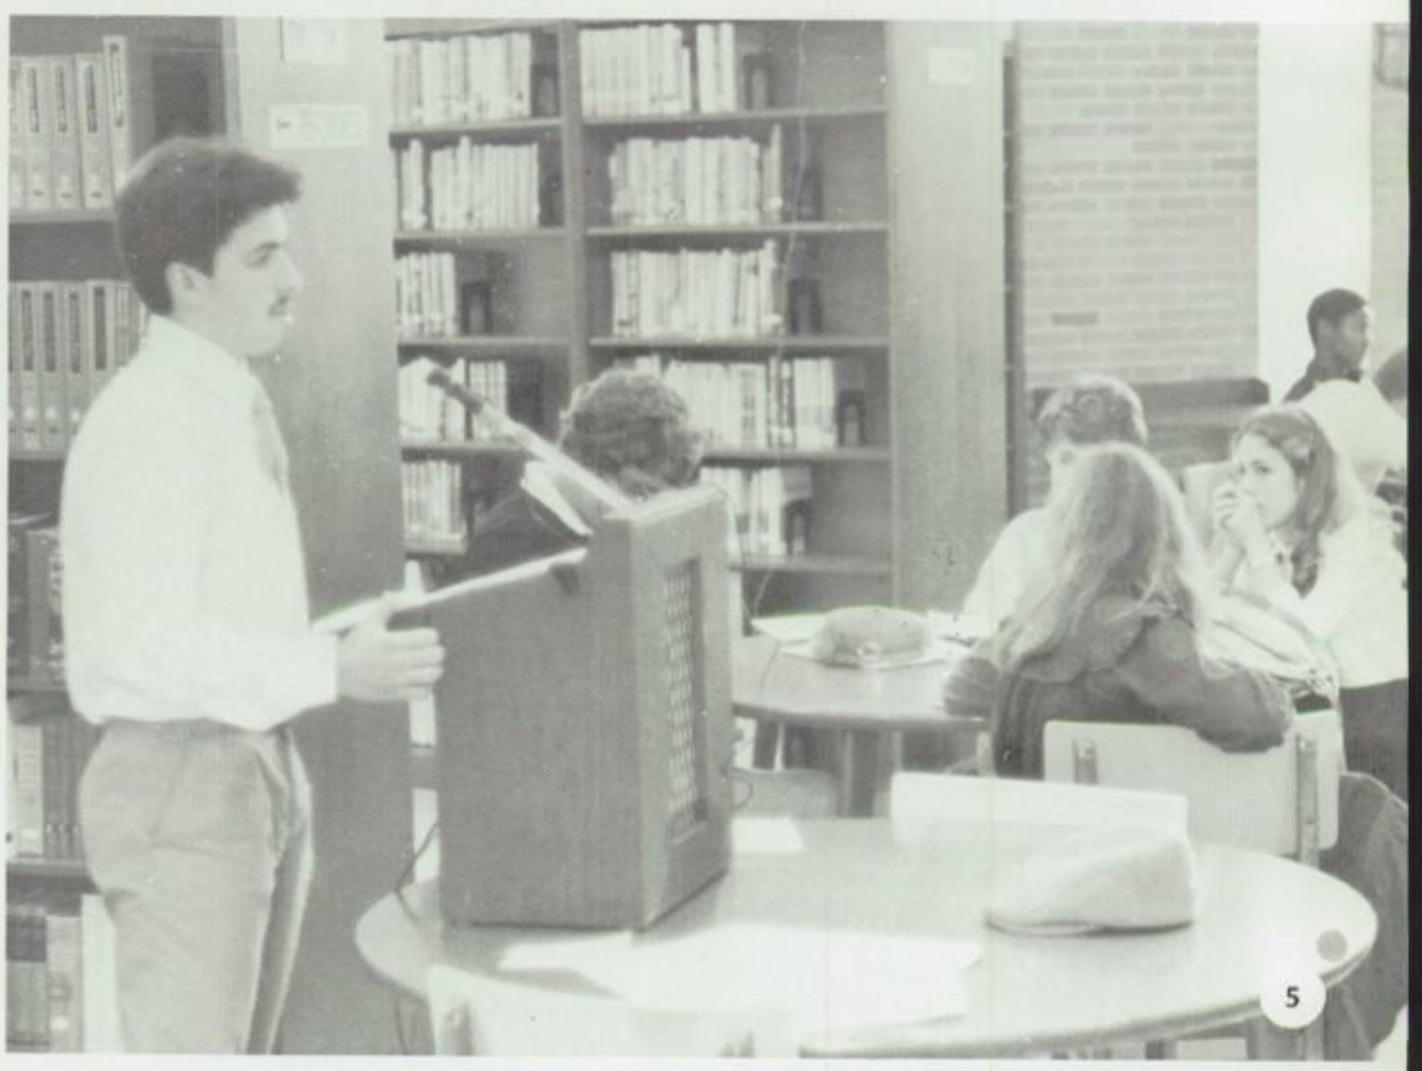
1. ***Mr. Goldsworthy*** *is responsible for students with a last name between M-Z. He deals with truants and disciplinary problems. 2.* ***Miss Austin*** *talking to a student about schedule changes. 3.* ***Mr. Dickinson,*** *who is responsible for A-L, also deals out disciplinary action to unruly students.*

4. ***Ray Casper,*** *our E.M.L.S. representative, addresses the Student Council. 5.* ***Gary Gillhooley,*** *President of the student body. 6. The Student Council leans heavily on the advice of* ***Mr. R. Miller,*** *who gives a lot of time to the planning of assemblies and other special events.*

Student Council



4



5

6

Our Student Council is run in a democratic way so that each P.H.N. student has equal representation. Student Council plans or approves all dances, assemblies, and social events of which Northern is a part. Every homeroom has an elected representative who enters the library every Thursday with other council members to discuss and make decisions on various ideas that affect everyone at Northern. Each year the Student Council constitution is revised to reflect the ideals of current council members. At the nucleus of the council (advised by ***Mr. Richard Miller)*** *is the 18-member Executive Board. Executive Board members are not chosen by election, but are appointed by the president and then approved b the entire council. This year's officers of Student Council are President* ***Gary Gillhooley*** *and Vice President* ***Rob Ross.***

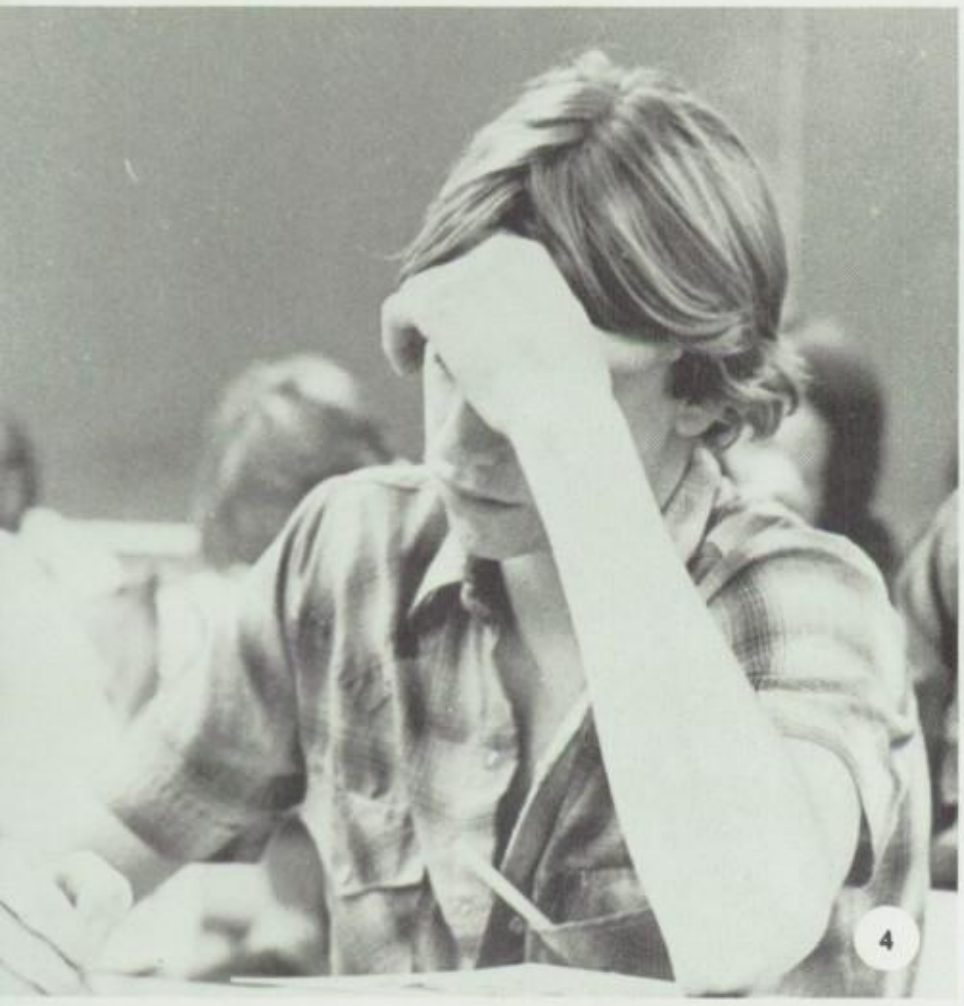
Social Studies



4

5

Social Studies is a vital part of every Americans' education. There are three required Social Studies courses at Northern. As a freshman, one is promptly enrolled in Civics, a course that explains the how's and why's of our judicial system. Juniors automatically experience two full semesters of American History, during which they find out all the details regarding the development of this fine democratic nation. Problems of Democracy, a special course saved just for Seniors, teaches all aspects of economics, stocks, bonds, and current political and social issues. Social Studies courses at Northern . . . teaching our youth to accept and solve the social, economic, and our world.

The Business Education department is headed by ***Mr. Edward Tinsley.*** *In this department, Typing 1, 2, 3, and 4, Shorthand, Bookkeeping, Retailing-Marketing, Steno-Clerical Block, and Office Practice Related classes are offered to students at Port Huron Northern.*

In Typing 1 and 2, students learn the basic method of typing. The advanced typing classes stresses the importance of business letter typing and increased speed. The main purpose of Shorthand 1 and 2 is to teach the students the basic strokes of shorthand and dictation. In Bookkeeping, you learn how to keep a journal, ledgers and balance sheets. The Retailing-Marketing classes are for those students who wish to go into the business field. Students in Retailing are allowed to work in our school store. The Steno-Clerical Block class teaches students basic office skills. Also, in this class you learn to arrange parties. Finally, the Office Practice Related class is for seniors who wish to go on Co-op. The students further their office skills by being in an office environment.

This is the second year that Mrs. Jamison has worked as the head of the kitchen staff. Her staff consists of ten workers. These ladies not only prepare the lunches for Northern but they prepare the lunches for nine intermediate schools and one other high school. Their day begins at 6:00 a.m. and does not end until 2:00 pm. Right along with our kitchen help is our wonderful custodian men who help in keeping this school clean and in good working conditions. John Stein is the head custodian of both the night and day shift. All together Mr. Stein has nine men working for him. The day shift works from 7:00 am to 3:30 pm, and the night shift works from 3:00 pm to 11:00 pm. The custodians do everything from cleaning up food after lunches to repairing important functions that keep this school running smoothly.

This year's Industrial Arts Classes are very interesting. They include Auto Shop, Wood and Metal Shop, and Power Mechanics. The students learn the necessary skills to become craftsmen and use these skills to expand their knowledge in Industrial Arts. They master the various power tools and techniques used to improve their final products. Auto Shop introduces the fundamentals of repairing and restoring the automobile. Wood and Metal Shop encourages the students to use a variety of woods and other materials. Power Mechanics teaches students the proper use of power tools and other types of machinery. These classes are understandably enjoyed by all who participate in them.

Exchange Students

This year Port Huron Northern has eight exchange students. Some of the countries represented are: Greece, Australia, Denmark, and West Germany. Families in the area take in these students for the time they are here. These students have the chance to compare their schools and customs from afar to the ways here. We at Northern hope these students have an educational and enjoyable stay.

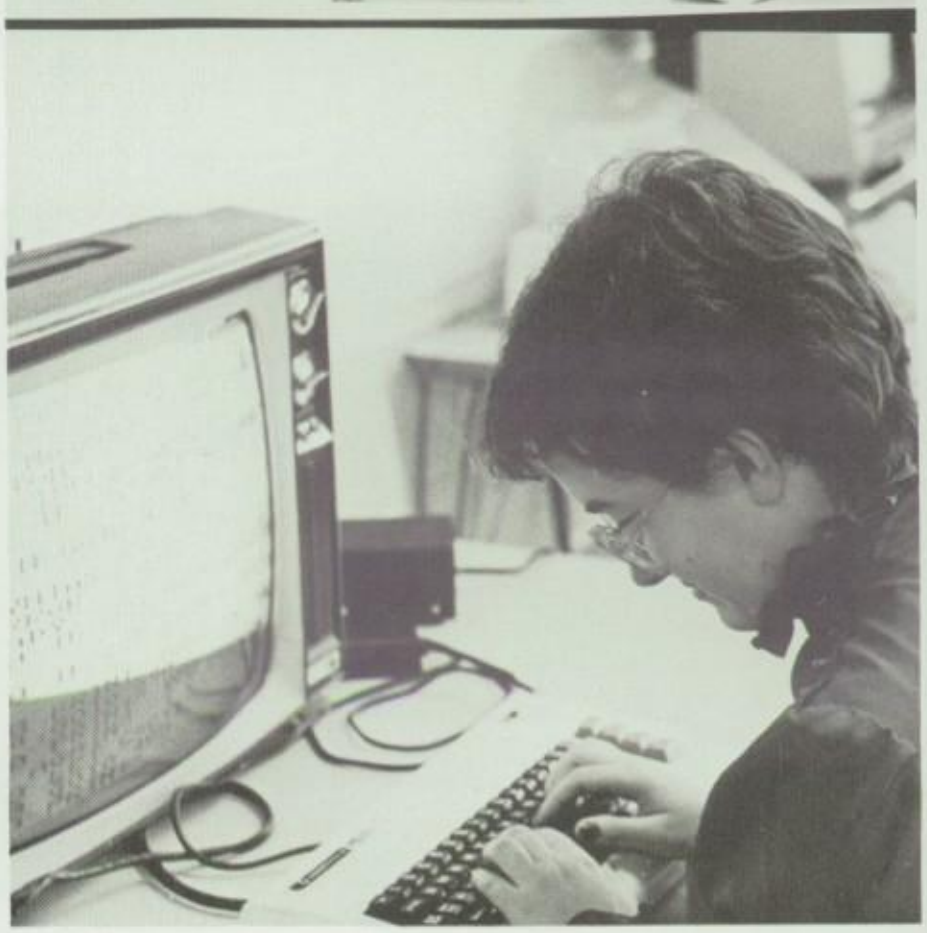
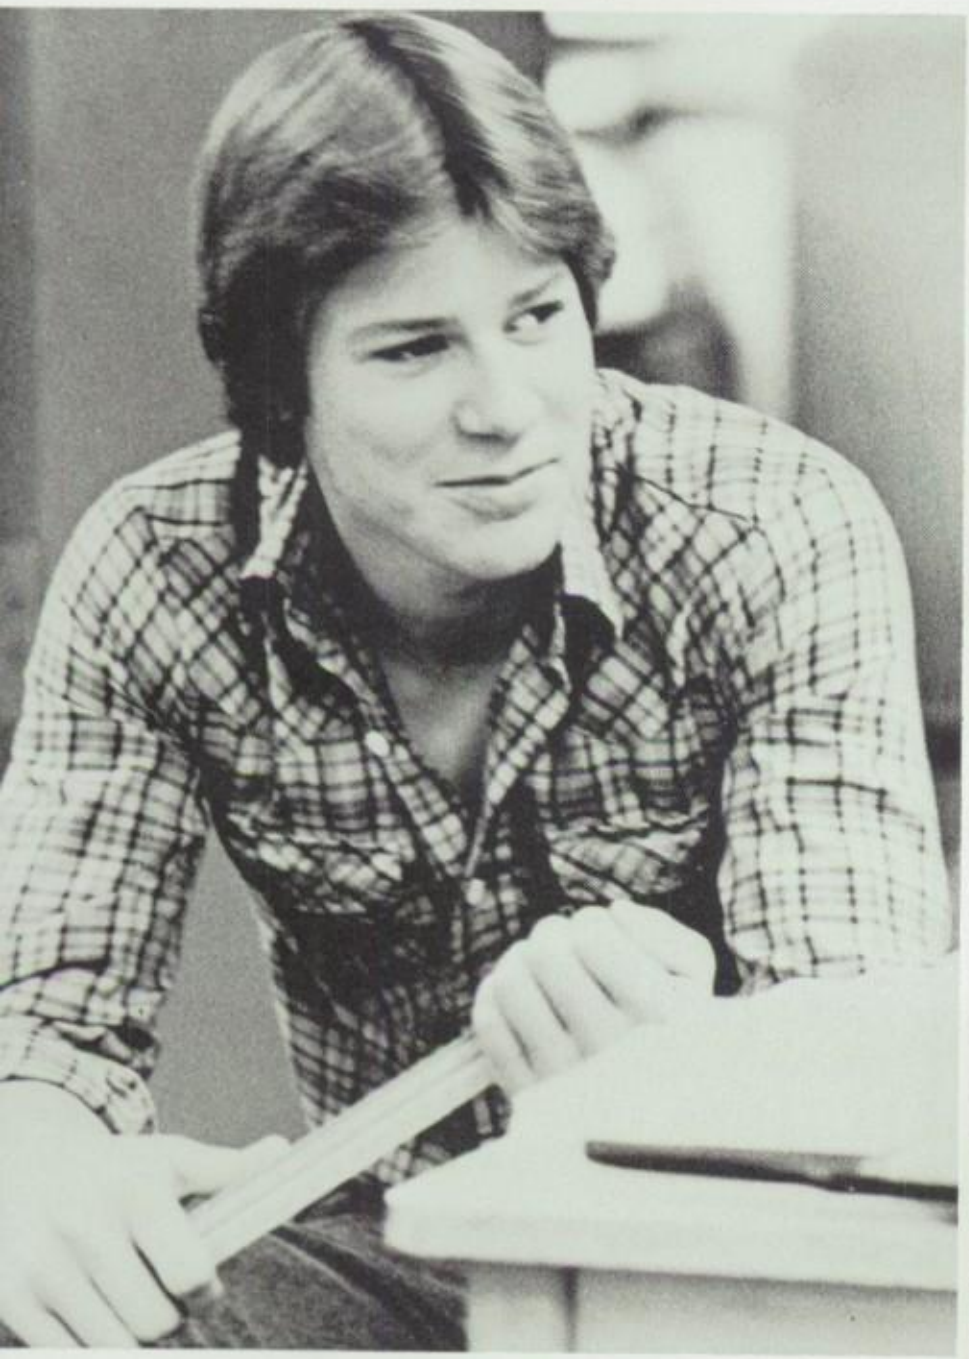
Computers



Mr. G. Jamison

A relatively new class, the Computer Awareness course, has gained a lot of popularity. While still in the experimental stages, the class is showing very promising results. The class covers computers on all sides. History, logic, binary math, and the computer language BASIC are all covered in one semester. ***Mr. Jamison*** *hopes to expand the class in the near future to include several new computers.*

Drafting



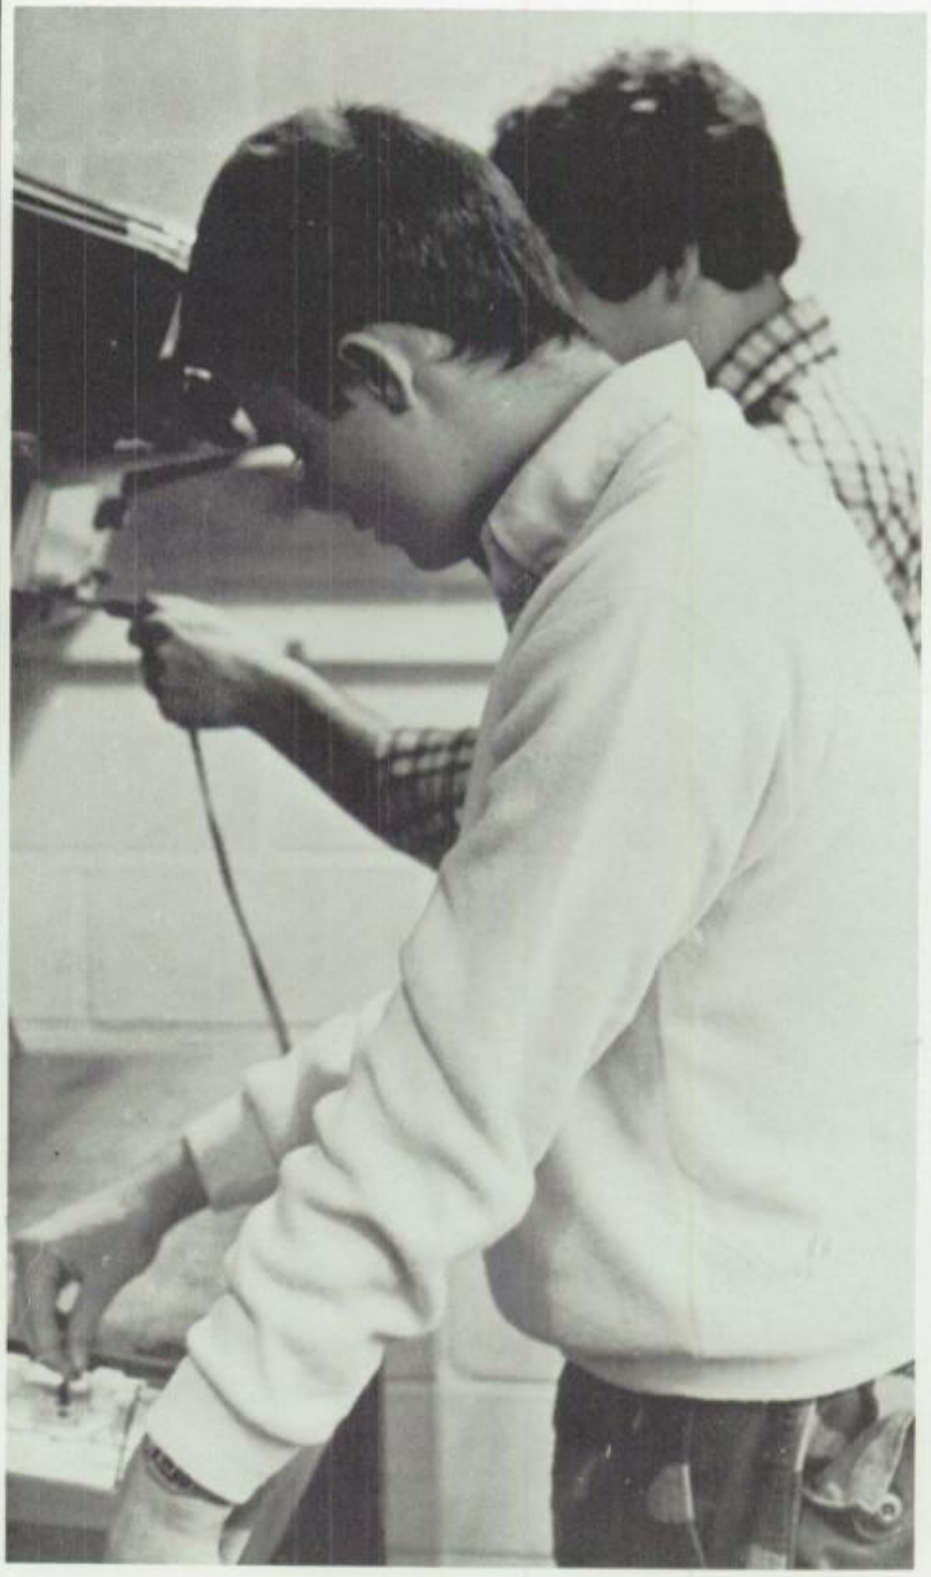
Skills learned in PHN's drafting classes could open several doors in the business world. Students begin in the mechanical drawing course, which is a study of basic mechanical drawing fundamentals such as dimensions, sections, pictorals, orthographic projections auxiliary views. The second year covers technical illustrations and more! Students can choose either a one or two year drafting occupations course where topics such as architectural models, exploded views and detail drawing's are investigated.

Mr. R. Anderson

Mr. G. Pagel

Electronics

This program covers the basic AC-DC theory of OHM's law through maintenance and evaluation of various types of electronic signal transmission. There are laws, formuals and instrumentation that support the key concepts needed for the further study of electronics for the students going on to electronics related occupations. Electronics occupations is a one or two year course in which the student learns the theory and application of A.M. and F.M. modulation systems, the construction, testing, design, and theory, of various types of electrical signal transmission. To guarantee an "A" in electronics occupations, one can pass a second class Federal Communications Commission Commercial License.



Study Hall

An overflow of students has called for a study hall to be inserted into most everyone's schedule. These "holding tanks", as they are affectionately known by P.H.A.S.D. administrators, are suppose to be places where students can complete homework assignments, although most play cards, cat nap, or write letters. A lot of what a student does in study hall is determined by the teacher. Some teachers are lenient and allow the students to talk while others are very strict and have the students do homework or sit silently all hour.

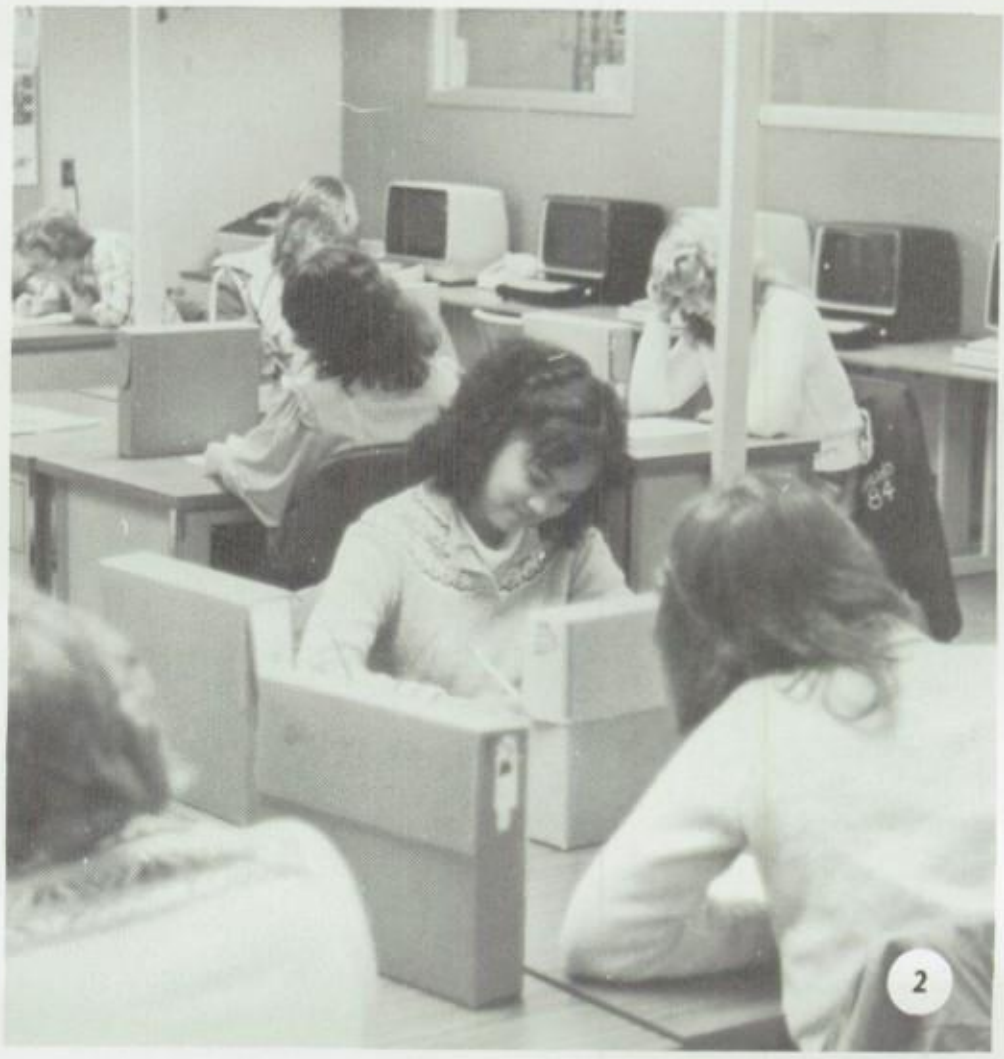
*The Library is an essential part of our school. Materials fo personal pleasure reading or for assignment research can b found in our media center. **Miss B. Boyd** and her aids are alway willing to help students find necessary reading materials. Micro fiche, audio visual equipment, and filmstrips along with writte material are available to Northern students.*

Skill Center



The Skill Center offers several programs such as: Health care, Construction, and Business Office Cluster. Many of Northern's students are enrolled in these programs so they may gain experience in the area in which they'd like to work. The program of Intermediate School District (ISD) is available to Juniors and Seniors of all area high schools. The students attend the skill center for 3 hours a day, gaining 6 semester credits a year. All together there is a total of 29 courses offered at the skill center.

Spirit

A lot of time and effort was poured into this yearbook. The jobs of the yearbook staff included working long hours after school, selling advertisements, and meeting deadlines. Patience and a sense of humor are a must for this class, but it is all worth while.

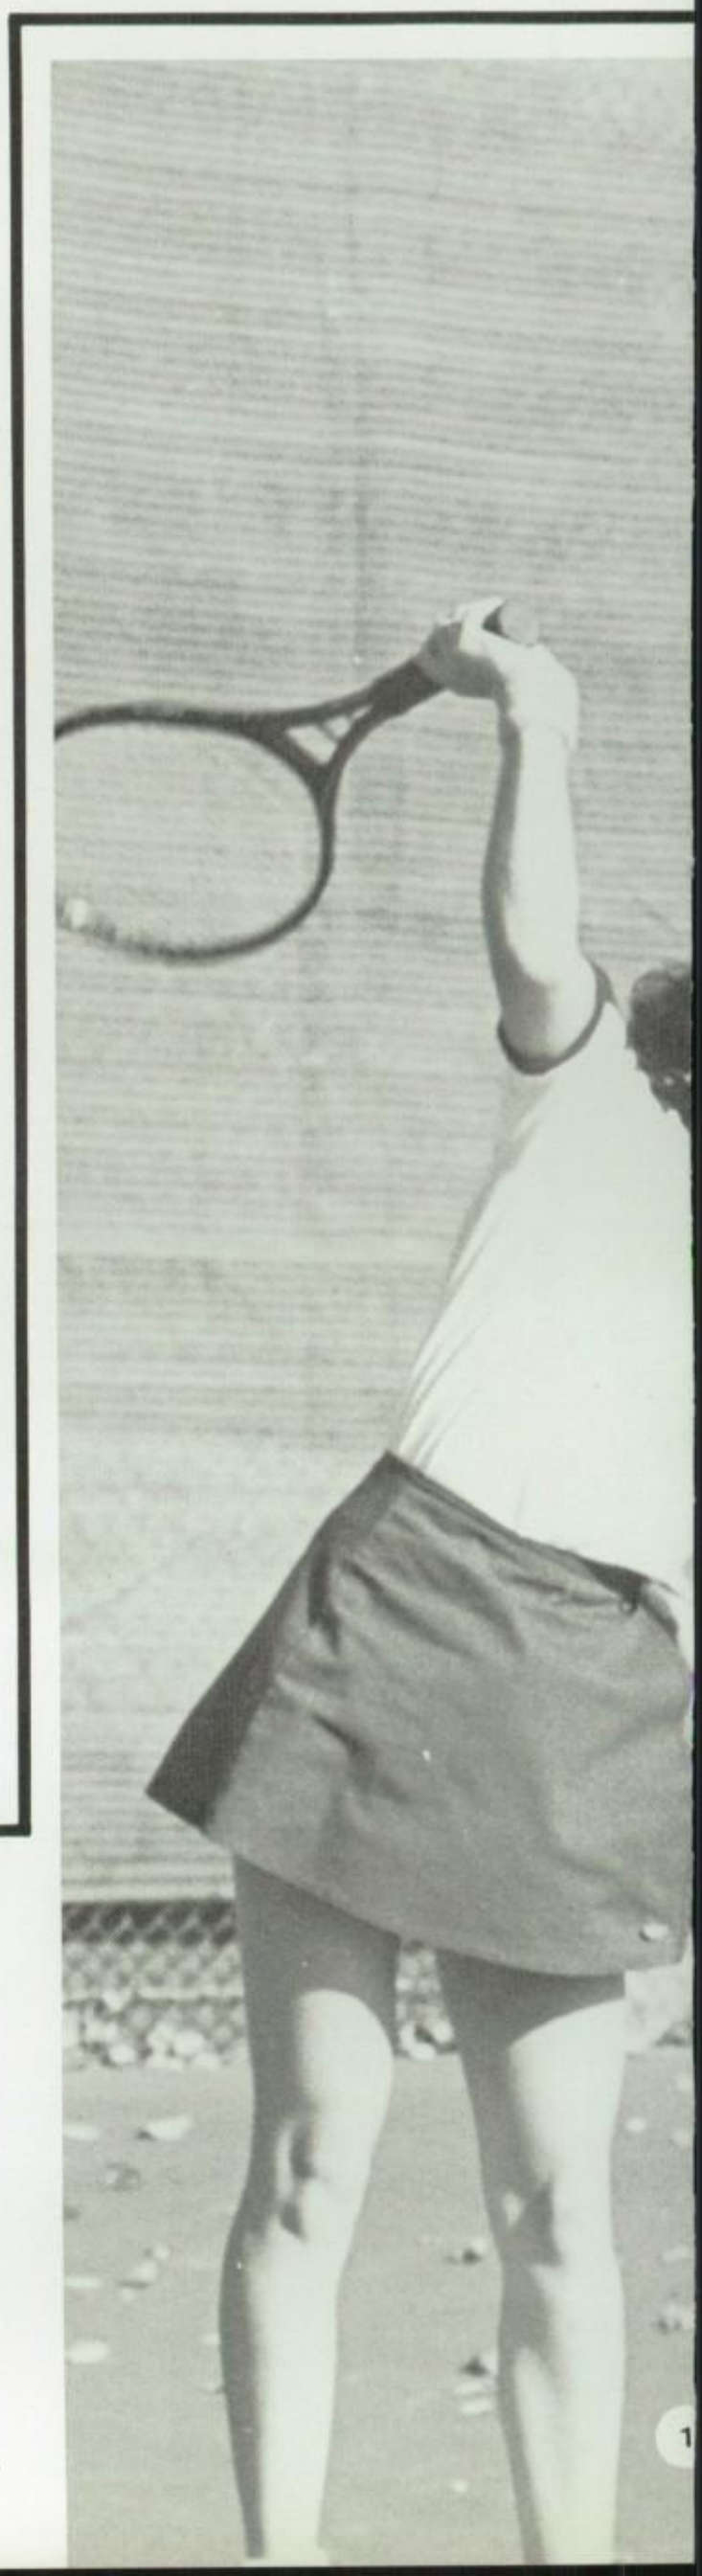
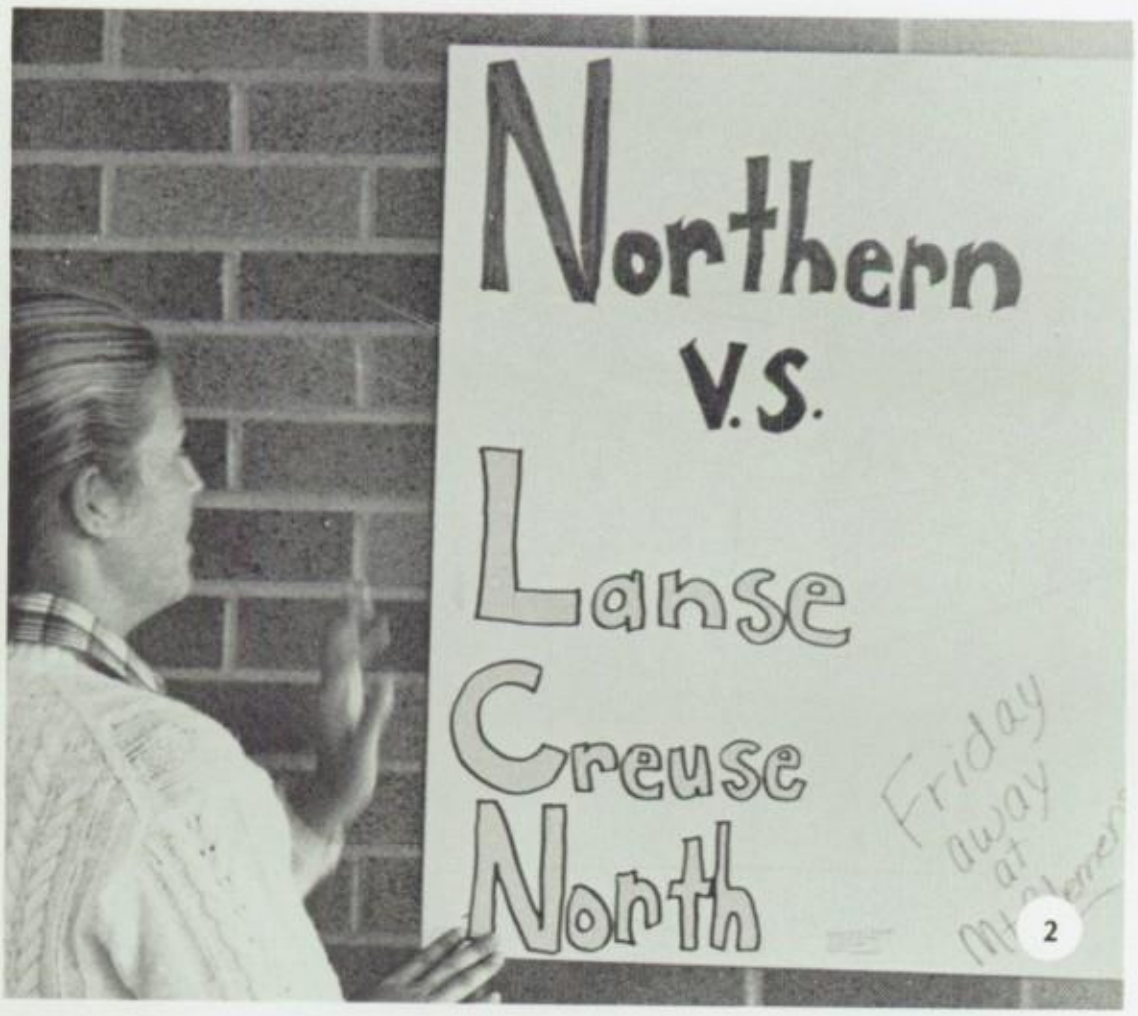
We have five counselors at Port Huron Northern. Their days are constantly busy helping students schedule or work out other problems. They also help a student decide and apply to the college which they wish to attend after their high school years are over. The secretaries also play an important part in our school's staff. They have many jobs to attend to in a days work. Such as keeping straight who's here and who's not, plus, helping out our assistant principles and counselors.



Sports



With sports now back at Northern, athletes are trying to regain the school's past strengths. Over the past two years football, tennis, basketball, girls and boys, golf, baseball, softball, track and field and some new clubs, along with the familiar ones of the past years, have joined the athletic roster. The old clubs, such as bowling and ski club are still going strong with many new members. Some of the new clubs are the Trap club and the Equestrian club.

The success of our teams in the future depends largely on having sports every year to give the younger participants experience for the varsity squads. Hopefully, Northern can build the present talents and turn them into winners like the past teams have been. Sports are part of the educational process in school, and they will always be. Though, winning isn't everything, and losses must be taken in stride.

Being part of a Husky team helps to develop a positive attitude towards sport events — won or lost.

Varsity Football

This year's Varsity Football team had an overall season record of 3-6. Northern's squad began the year slowly because of lack of experience, but as the season progressed, they polished up their defense and brought home three well deserved wins. The Varsity squad was made up of 36 players and three coaches. Of the 36 players two received honors by being selected as all area and all EML players. They were ***Erich Schieman*** *and* ***Jim Madaus.*** *There are four annual awards given to outstanding players of each season. This year's awards and winners were: Port Huron Exchange Club — Captains Award;* ***Steve Howard, Jim Madaus,*** *and* ***Harlow Meno.*** *Fred McElroy — Sportsmanship Award;* ***Dave Marcero.*** *Hustling Senior Award;* ***Jeff Tallmadge.*** *And the Kurt Edie — Most Valuable Player Award was received by* ***Jim Madaus.***

The coaches are looking forward to a very successful 1983 season with the return of 18 letter-winning underclassmen and much more experience.

J.V. Football

This year's Junior Varsity Football team had an over-all season record of two wins, six losses and one tie. Northern downed their cross town rivals 7-2. They also tied Anchor Bay, and beat Roseville 20-14.

The squads strong point was their running game, which really showed during their rough battles against Anchor Bay and Roseville. They had a good season finish by only losing one of their last three games.

Coach Bates is looking forward to working with these experienced young athletes next season.

Girls J.V. Basketball

Basketball is a highly specialized sport that requires many years of practice and hard work to reach perfection. No sport displays the gracefulness and beauty more than two well trained basketball teams. The comments from ***Coach Vettese*** *regarding his team this year were: "The team was fun to work with. Even with our record, the girls never gave up and showed excellent sportsmanship throughout the season. Plus, if all the freshman return next year, we should be a little more competitive, but we just will not have enough experience. Without height, and a program in the intermediate schools, next year will be another tough year." The leading scorers on the junior varsity team were:* ***Denise Frost*** *– 87 pts,* ***Kasandra Gunter*** *– 58 pts. and* ***Laura Elliott*** *– 53 pts.*

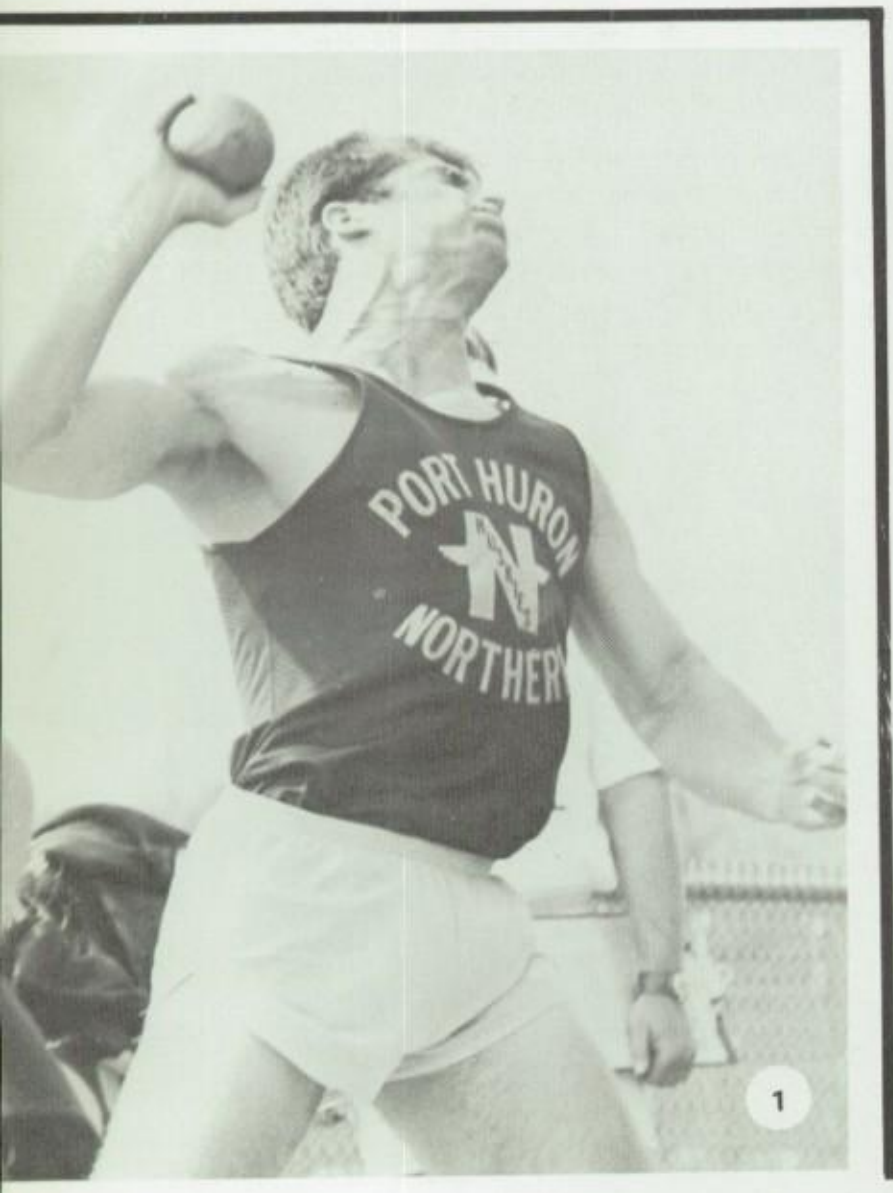
Track



Northern's 1982 Boys Track team had an impressive spring season. They were 2-5 in the EML and 3-7 overall. They had a very successful season even though there was a lack of depth in distance and sprints. The Port Huron Northern Relays was an exciting event with Northern gaining 36 points and placing 6th out of the 10 schools represented. There were a few school records broken, including one by ***John Davis.*** *He threw the shot put a fantastic distance of 54' 10". The Northern girls tennis team proved to be very successful this year. The varsity team compiled a 10-2 dual meet record and won the regional championships, qualifying the team for the State finals in Midland. The third doubles team of ***Shari Straffon*** *and* ***Teresa Lucey,*** *who finished the season 21-1, led the team to an eighth place finish at States. Other team highlights include a first place finish at the Flushing Invitational Tournament and a second place finish in the EML. The team finished the season ranking fifth in class A in the state.*

The junior varsity team also did well this year, finishing second in the EML and compiling a final 6-2 record.

Volleyball is a game requiring speed, leaping ability and endurance. Few other sports require as much team play as volleyball, and one cannot be sure of a victory until the last point is socred. ***Coach Ron Davey*** *comments, "I believe this team is stronger and quicker than the years past. They are very hard workers, very enthusiastic and have great team spirit." There are only three returning letter winners. Juniors

Many juniors felt that their's was an ideal year. They didn't have the pressure of POD and graduation, nor the frustration and confusion of the freshmen.

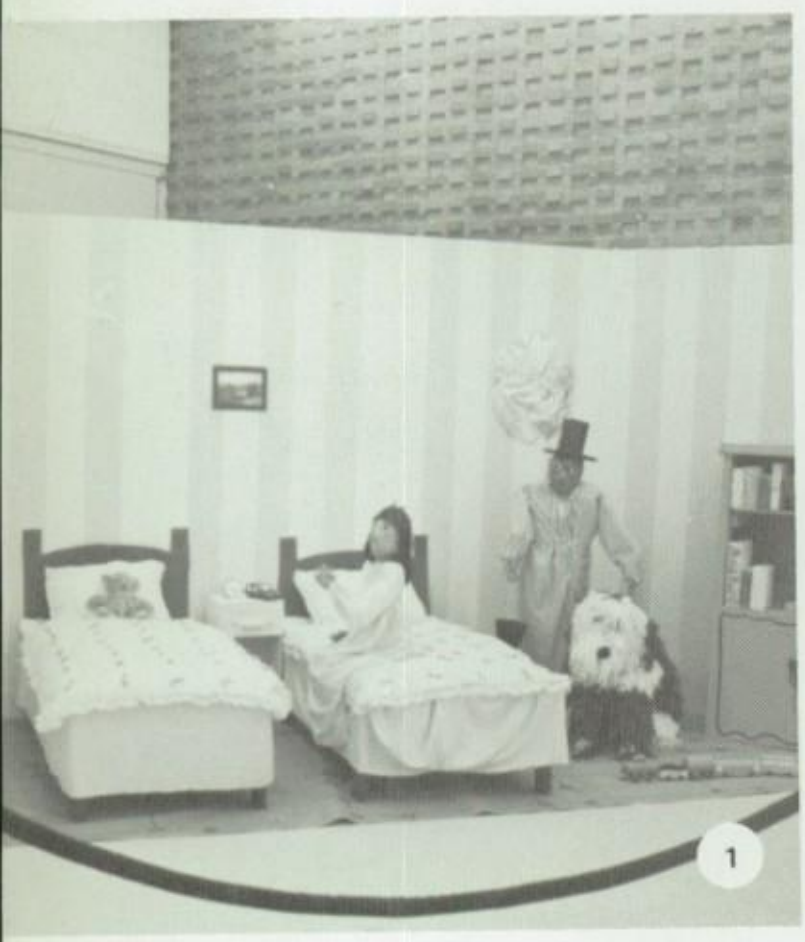
The juniors wouldn't let anyone push them around. They kept their spirit and enthusiasm flowing throughout the year. Because of their energy, they made a spectacular second place wall. Their theme was Peter Pan.

The juniors did an outstanding job in the Mardi Gras games, they placed second in the games also. The juniors used every bit of energy to try and win. They were only three points shy from winning the games, unfortunately not enough to grab the barrel away from the seniors.

The juniors class advisors are ***Mr. Nesbitt*** *and* ***Mrs. Lyszak.*** *They both had and gave alot of spirit along with the juniors, they cheered them and struggled to win with them.*

The juniors are memorable for their positive attitude toward life and their enthusiasm.

Junior Honors



1. This years Juniors got second place for their wall, which came from the well-known movie **Peter Pan.** 2. Well Ame, we finally made it though this year! There were so many times (like thousands) that I walked into the bathroom & you did and said "God why am I here?" I'm really glad we've managed to stay good friends, lets always stay that way! Good Luck with next year, I know I need it. Hope to see you a lot next year, as much as this year!! Even if it has to be in the bathroom!!

Love, "85" Mary

Amy,

Remember when we couldn't wait to get out of St. marys? Well, look where we are! We've had some really good times together, like coming back from Cedar Point, feeling like shit, and waiting at PH for ½ an hour! But I don't think you could call that a good time! It's been a really "wild" year. Can't wait ~~till~~ till next year. They get wilder each year! Well, have a fun summer and if you ever get bored (very doubtful huh?!) give me a call!

Love ya! "85"

Well Amy,

Don't really believe that (it seems) that just yesterday we were saying hurl Mary! Juniors almost and just think in a couple of years will be out in that cruel world looking for jobs what a drag. This class is a real drag Mike "Judy" Dineen is a heedful teacher / Don't you think? I hope you have a real nice summer Take care

Love

Bubby

Sophomores

The 1982-83 sophomore class students were vibrant and ready for new challenges. What they lacked in experience, they made up for in enthusiasm.

One of their first tasks was the planning and construction of their homecoming wall. Their theme for the wall was Pinocchio. The hurdle facing them was to construct the wall at school while rotating nights with the freshmen. As for the Mardi Gras games, the sophomores also placed third, but they showed us that they aren't as little as we took them for. They showed all of us that they don't give up easily and that once they set their minds on something they go for it with their fists up.

The sophomore class advisor, who has been a great contributor to the class, is **Mrs. Pettibone.**

All in all the sophomore year was notable for a lot of memories such as the time when we had a pep assembly and the hyper sophomores won the pep bone. They were so overjoyed that they tore and shread the pep bone to pieces.

Sophomore Honors

1. Sophomore class officers: ***Sarah McCue,*** *President;* ***Keli Branch,*** *Vice President;* ***Michelle Weiss,*** *Secretary;* ***Kris Marten,*** *Treasurer. 2. Amy,
I'm really glad I met you last year + had you in Patton's English class. I'll never forget the day you walked in with the toilet paper trailing behind you. You can always make me laugh, no matter what mood I'm in. You're really going to have to make the cast parties great (know what I mean?) NANA

Freshmen

This year the Freshmen class took their first big step. They left behind their kid stuff to become young adults.

Freshmen in the past were slow to start for the pep assemblies and didn't show their spirit until the end of the year. This years freshmen show about the same amount of spirit as in the past, but don't worry Freshmen! Time improves just about everything.

For the Mardi Gras activities, the freshmen showed a lot more enthusiasm. They came in third for the cart races, but in the over-all activities, they placed last. Better luck next year! They did "The Muppet Caper" for their wall and did a good job with it being their first time working on something like this. The majority of the freshmen votes were for ***Darcy Barber*** *and* ***Mary Seely*** *to be representatives on the Mardi Gras Queens Court.*

Freshmen have the makings of a great class and are looking forward to a successful sophomore year.

Freshmen Honors

1. Freshmen re-created a scene from the Muppet Caper, which got them a fourth place standing in Wall competition. 2. Freshmen Class officers: **Mike Wilhelm,** President; **Colleen Brennan,** Secretary; **Shelly Schopp,** Treasurer; and **Ann Marie Pelc,** Vice President. 3. Nominees for Queens Court: Back Row — **Darcy Barber, Shelly Brown, Shelly Betts, Shawna Steemburg, Angie Liss.** Front Row — **Colleen Brennan, Mary Seely, Ann Marie Pelc, Barbie Spencer.**

Amy,
You're a real fun person; you can really make a play a blast! Of our theatre goes (just I dont know where we've certainly had "fun" in the bathroom in the mornings (ha ha) All those "visits" from our "friends." So cool, so cool. I'm sure I'll see you sometime this summer, wherever it may be. We must get to~~gether~~.

Stay Cool!

Love,

Clare Hickman

My Beloved Amy,

its really stimulating watching you warm up to "Kiss Me Kate" here at PHLT. This is where it all started with you, Andrea + Lance and I here with "Inherit the Wind" - Remember steph? That was great fun wasn't it? (Even if I was at Wicks!) Anyway we had some funny times didn't we? Remember that night we slept at Andrea's? Remember going around to the store - er shop - during "Inherit the Wind" to play 'Pacman' or rather you to play Pacman and me to say "Good One"? Remember how only 1/2 of the people who were invited turned up to my party? Well from one crazy gal to another... We're just two wild + crazy guys! Love ya heaps, remember me always + write me

Amy,

Im really glad you were the "helper" in my class. You made it a lot of fun. You better watch yourself someone might be able to tell you high half the time you come in I felt pretty good yesterday when I skipped 4th hour. Too bad I got caught I got a good cuz at Dave McDonnell's party. Well, good luck next year. Hope to see you in the summer.

Love,
Chris

Amy,
How weird to write my name for someone else!) I'm glad I had you in Eng. + Speech. I enjoyed hearing your talk back to Megan + make your smart ass remarks to Trapp. You have a great sense of humor - its so terrific to around someone who can't complaining. In fact depressed or compliments. Never heard you never heard even compliment. So, keep out of trouble + keep smiling!!

Love,
© Amy Aplin

Amy,
It's been having M.M. but you'll never be a smart-ass of my stature - Keep your brave face

Love,
Mel

Amy,
I'm really glad that we have stayed good friends this year. But we have to get together and do some-thing!!! Maley mom will let me have the car and we can go to ES. (sounds like fun to me!)
Well bé bé
Stay the way you are because it's pretty special!
Love,
Mel

Amy has had fun having you in choir and maybe we have had some classes together because we will have a next year. I'm glad you have had a good time in choir and I wish you the best of luck in your future classes.
Thank you,
Mr. Reilly

Amy,
I'm glad you

Amy,

isn't (wasn't) second hour a riot? meyer is such a freak! her class wouldn't have been the same without you. i hope we have some classes together next year. maybe i'll see you at some parties over vacation. have fun this summer, and good luck in all you do!!
